

I can provide watercolour demonstrations on a variety of subjects. I can also tailor one-day watercolour workshops to various practical themes such as:

**'Watercolour for Beginners'**

**'Loosening-up Your Watercolours'**

**'Landscape '**

**'Seascape'**

**'Still Life'**

**'Animals/Pets'**

Fees for art societies: 2-hour demonstration - £150

Half-day workshop (3 hours)—£170

Full-day workshop (6 hours with break for lunch) - £250

I find that 10-15 students is a good size class for workshops. Anything larger and it becomes difficult to provide individual attention and tuition.

Travel expenses are not included. I base my mileage costs on 20p per mile. I live in the West Country. However, I do make occasional visits to family members in Essex so, if you are over this side of the country, I would base my mileage from there.
